Branch Memo # 6

SPB Personnel:

From this date all visitors will be referred immediately to the Branch Chief, Assistant Branch Chief or the Special Assistant.

The term "visitors" is not intended to apply to Division personnel, military personnel working in the Stewart Building or persons from outside the building who maintain continuing contact with the Special Projects Branch.

All personnel must bear in mind that the mere wearing of a blue badge by strangers does not permit open discussion of branch projects or policies.

Chief, Special Projects Branch
